Day-by-day details

Week 1: Set up Nov 2 to 6

Mon 2	Pinterest + Etsy **Setup**	Follow up on your Local Cloth vendor approval (30 min). Update titles and tags on your top 5 Etsy listings using the keyword list (2 hr). Set up Pinterest boards such as "Modern Quilt Wall Art" and "Handmade Gift Ideas" (1.5 hr).
Tue 3	Sew **Sew Piece A**	Record the process as you go. No editing today.
Wed 4	Instagram **Instagram**	Edit and post the Reel of Piece A, then post it as a YouTube Short.
Thu 5	Pinterest + Etsy **Pinterest + Etsy**	Photograph and list Piece A (2 hr). Make 5 pins from new and older photos (1 hr). Reply to comments (30 min).
Fri 6	Sew **Sew Piece B + film**	Film it more fully, because this becomes your main YouTube video.

Week 2: YouTube video and extra sewing Nov 9 to 13

Mon 9	YouTube **YouTube edit**	Rough cut of the Piece B video.
Tue 10	YouTube **YouTube finish**	Final edit, thumbnail, and a title and description with keywords (e.g. "Making a Modern Quilted Wall Hanging"). Upload it.
Wed 11	Sew **Sew Piece D**	Record the process. Extra stock for the holiday season.
Thu 12	Instagram **Instagram**	Make a Reel from the Piece B footage you already have, so nothing new needs filming. Post it as a Short too.
Fri 13	Pinterest + Etsy **Pinterest + Etsy**	List Piece B and make 5 pins, including pins of the YouTube video. Start a "Holiday Gift" board and decide on your Black Friday sale.

Week 3: Stock up for the holidays Nov 16 to 20

Mon 16	Sew **Sew Piece C**	Record it.
Tue 17	Instagram **Instagram**	Reel of Piece C, then post it as a Short.
Wed 18	Sew **Sew gift items**	Mini quilts or small hangings that sell well at the holidays. Photos are enough; no filming.
Thu 19	Pinterest + Etsy **Pinterest + Etsy**	List Piece C and the gift items. Schedule the Etsy Black Friday to Cyber Monday sale now, since sales need to be set up in advance. Make 5 to 8 gift pins.
Fri 20	YouTube **YouTube film**	An easy video to edit: talk to the camera, e.g. "Handmade Gift Ideas from My Studio" or a studio tour, in one or two takes.

Week 4: Thanksgiving and sale week Nov 23 to 30

Mon 23	YouTube **YouTube edit**	Edit and upload the Nov 20 video.
Tue 24	Instagram **Instagram**	Holiday sale Reel that reuses clips from Pieces A to C. Post it as a Short.
Wed 25	Pinterest + Etsy **Sale check + pins**	Make sure the Etsy sale is set up correctly. Make 5 gift pins. Keep it short before Thanksgiving.
Thu 26	Off **Thanksgiving**	Day off.
Fri 27	Light day **Black Friday (1 hr)**	Post an Instagram Story about the sale (no editing), pin the sale, answer messages.
Sat 28	Light day **Small Business Saturday**	Optional 30-minute Story post.
Mon 30	Light day **Review + sew**	Cyber Monday reminder Story (15 min). Review the month: what sold, which pins got clicks, how long editing really took. Plan December (1.5 hr). Sew for the rest of the time.

November goals & habits

Month totals

- **Instagram:** 4 Reels, one a week, each also posted as a YouTube Short
- **YouTube:** 2 longer videos and 4 Shorts
- **Sewing:** 5 new pieces and a batch of gift items
- **Pinterest:** about 25 pins across 4 days
- **Local Cloth:** follow up on vendor approval (volunteering starts once approved)
- **Etsy:** best listings updated with keywords, new pieces listed, holiday sale scheduled

Habits that save time

- **Instagram Stories while you sew** (5 min). They keep your account active between Reels.
- **Note your editing time** every Instagram day, so you have real numbers for your goal of editing faster.
- **Use every video at least 3 times:** Instagram Reel, YouTube Short, and a pin.
